Summary: Jake and Cassie poem

Souls

Two Souls,

burdened with death,

tortured with fear.

find each other,

in the midst of evil,

in the aftermath of battle,

on a field of death.

Two Souls,

their beings scarred,

with too painful of secrets to share,

too great a destiny to ignore,

too painful a past to forget.

Two Souls,

afraid to love,

because they are afraid to lose.

Afraid of the pain,

if the other was gone.

Two Souls,

together through the ages,

destinies intertwined,

souls bounded together,

lives shared,

pains split,

and joys doubled.

Two Souls,

Together again,

never apart, sharing their fear,

their pain,

their love,

no longer alone.
